GLOBAL EXPO

12-13 February 2026, Bhubaneswar, Odisha

# Odisha Cleantech Global Expo

12-13 February 2026, Bhubaneswar, Odisha

Eastern india's largest exposition on  
Clean energy & sustainable mobility

India is rapidly progressing towards becoming the world's 3rd largest economy, that the milestone of a 5 trillion-dollar economy is not far away. Remarking that the India is increasingly focusing on sustainable lifestyles and moving towards a green future, including solar, wind, hydro, batteries and green hydrogen, which will power the energy security of a developed India. Odisha has immense potential in this regard and Eastern India is a growth engine in the development of the country. Odisha is a land of Opportunities in Green energy and sustainable Mobility sector. Odisha also celebrates a legacy which connects it with South East Asia.

**Shri Narendra Modi,**  
Honorable PM of India

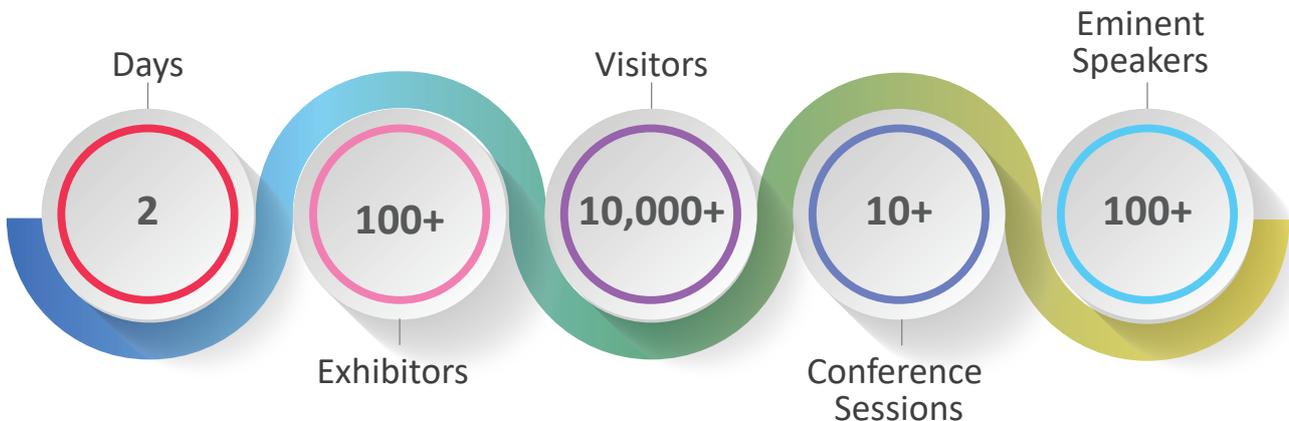

**Shri Mohan Charan Majhi,**  
Chief Minister, Govt of Odisha

Odisha has outlined a clear roadmap for energy independence with multiple milestone years. The state is reducing dependence on fossil fuels and pivoting to renewables and green hydrogen to build a low-carbon future. By 2030, Odisha targets 11 GW of renewable capacity and 3.6 MMT of green hydrogen production.

**Shri KV Singh Deo,**  
Deputy CM & Minister of Energy,  
Govt of Odisha

Odisha offers vast opportunities in renewable energy & mining, urging investors from India and overseas to consider Odisha as a preferred business destination. Odisha is not merely participating in the energy transition; we are committed to leading it. Battery Storage & pumped hydro Systems are key To Odisha's Renewable Push.

## SUPPORTING PARTNERS
